

K-REACH

Appoint your K-REACH Only Representative now!

Why?

Do You Need a K-REACH Only Representative (OR)?

- Stay compliant
- Access Korea
- Support your importer

**K-REACH is Korea's chemical law, similar to EU REACH.
Foreign suppliers must register to comply.**

Registration grace period

Any entity intending to manufacture or import phase-in substances in quantities from 10 to less than 100 tons per year
